OLD BUSINESS

- Future Search - Chairman Behr stated that the Echo Sentinel headline which said that the Mayor had declined the invitation was misleading and inaccurate. He added that he would meet again with the Township Committee on May 11, 2016 for further discussions.
- Survey - Chairman Behr reported that they had 290 responses to date. With just a few more responses the survey would be considered statistically significant with a 5% margin of error. He added that the survey would be closed May 15, 2016. Other forms of social media were discussed as avenues to publicize the survey.
- Tifa Barrett Issues - using the Tifa/Barrett Development Worksheet that had been distributed to the members a few days earlier the email, Chairman Behr led a discussion on the core criteria and possible future uses for Tifa/Barrett properties. No consensus was reached on recommendations for future development of those properties.

The meeting was adjourned at 9:55 PM.
